Transgender 'Sorority Girl' poses for a photo as he cries after winning court bid to stay in all girls Sorority House- despite sexually harassing at least 7 girls.

A Wyoming judge will allow Artemis Langford to continue living in the female sorority house after a failed bid by a group of girls to ban him.

Langford a 6ft2 man, has been accused of exposing his erection multiple times while appearing aroused in front of the girls at the Kappa Kappa Gamma sorority house at the University of Wyoming.

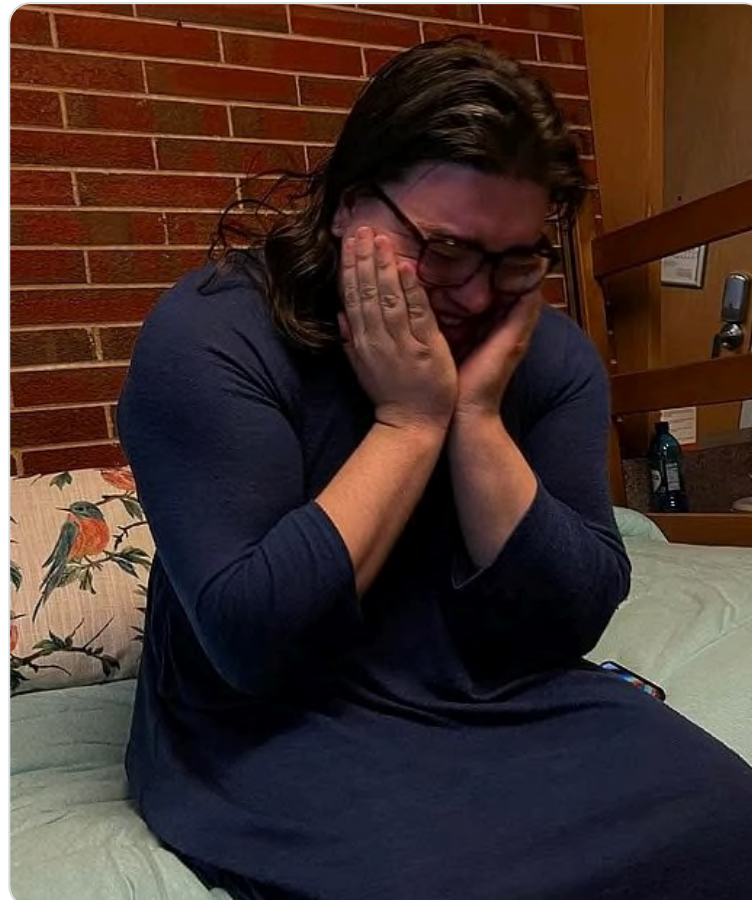

He is also accused of taking discreet photos of the girls at slumber parties while getting aroused.

He is also heterosexual, with a sexual interest in women and had a Tinder profile where he was looking to match with women.

After the Judge dismissed the lawsuit, the biological man said:

"Maybe I can just be another student on campus, another regular sister in the Wyoming chapter of Kappa Kappa Gamma? Maybe I can just be me."

The 21 year old man still identifies as male on his ID, despite having the opportunity to change it.

He was also alleged on one occasion to have watched girls undress, while hiding in a corner and holding his hands over his genitals– according to the original lawsuit filed by [Show more](#)

The judge didn't "decree" this, the judge is just abiding by the standard set by the school.

Sucks when your "acceptance of all" backfires.

There is an easy solution to this, but women have to be willing to take some hard steps to fix this. First, the actual females can leave the sorority. Nothing requires them to stay. The same applies to other women in similar situations, like female athletes forced to compete

51% of the population – and the children – stripped of agency, dignity and what were cemented rights. Sounds as if girls and women are the spoils of a war where no shots have been fired. No physical invading army. A bloodless, smooth coup d'etat.

I'd have a lot more respect for all these men playing dress up (they are all just basic transvestites like Dylan Mulvane, the swimmer dude, and this clown) if they actually went all the way and castrated themselves and cut their junk off and tried to really become a woman.
